* Contact Customer Service at customerservice@micromaticllc.com or 260-589-2136, extension 3211 for lead time.

** This is a baseline for quoting purposes. Actual lead-time may vary depending on time order is placed.

*** If the quantity is in between the amounts listed, refer to the next level of quantity.

(For example, if you order 7 units, use the lead time for 10 units.)

**** If the unit or part does not appear on this list please contact customer service.
